GET READY FOR A NEW OFF THE WALL!

MEET THE HOST WITH THE MOST, LARRY ZENO

Disney

Larry Zeno hosts the battle between two teams of kids as they try to win points by performing mental challenges & nutty stunts. See everything from competitive multiplication table tests to how long a person can hold a push-up—over a cake!

Question: Where are you from originally?

Larry Zeno: The Newport /Upland area here in Southern California.

Q How would you describe your job?

LZ: I hold onto the show—the kids run the show! I didn't want it to be like 6 kids and a host—I wanted it to be like 7 kids out there. The kids aren't going to be comfortable and do all the funny stuff that comes naturally to them if they think they're out there with an adult. I'm a huge kid.

Q What's your favorite part of your job?

LZ: Getting to yell "Now it's time for Ultimate Showdown!" in my classic game show voice.

Q How do you like working for Disney?

LZ: It's like a dream come true. I've always been a die-hard Disney fan. As a kid I used to go to Disneyland and say to myself "Someday I'm going to get into Club 33—and now I have!"

Q What are your favorite stunts?

LZ: Tennis Toss to Terrifying Trashdom and Weighty Egg-lift to Inevitable Cragage. The stunts are so great because they're games kids can play at birthday parties or anywhere.

MAD LIBS

MEET YOUR HOST,
DAVID SIDONI

September 7th means an hour of game show madness.

Off The Wall at 5 pm/4c
MAD LIBS at 5:30pm/4:30c

Two teams compete in this battle of wits to see who can be the most creative by coming up with the funniest and most outrageous phrases and stories.

Q: Did you play MAD LIBS as a kid?

A: I love the games. I grew up in Southern California in Los Alamitos and my whole family used to play MAD LIBS in the car during our many roadtrips.

Q: How would you describe the game?

A: There are 2 parts, 2 rounds of mental word games you could play in English class or around a campfire and then 2 rounds of total mayhem. The ideas for the viewer MAD LIBS mayhem come directly from kids.

Q: What do you like most about the show?

A: You'll never know it 'cause there is so much action, but there is learning involved.

WE SCREAM FOR ICE CREAM
The ice **GRAVY** truck was

of the street and used a **MIME** to get the driver's attention, so we could get a **MAINTENANCE** truck to pop out.

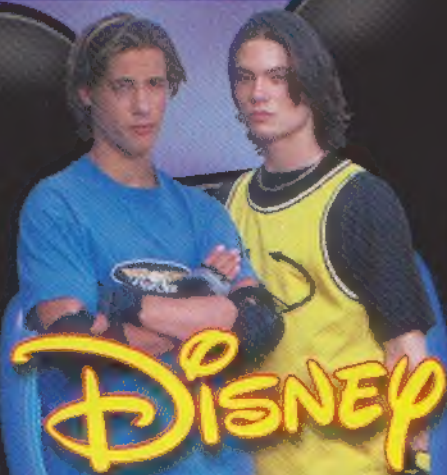

Q: What's been your favorite stunt?

A: The World's Worst Criminal Stunt which is...I can't describe it: you've gotta watch it to believe it!

Q: What's your favorite part of the job?

A: Giving away lots of free stuff to the kids and helping them out in the tough final round.

On Oct. 17th,
visit a friendly
little town full
of witches, ghosts
& goblins

WHAT IT IS

Where do witches & warlocks, ghosts & goblins live the 364 days of the year when it *ISN'T* Halloween? They live in HALLOWEENTOWN. It's the kind of place where the town square is graced with a statue of a giant jack-o'-lantern, your taxi cab driver looks a bit skeletal, and the local ice cream parlor (I Scream Dessert Emporium) is owned by the Abominable Snowman.

MEET THE PIPER KIDS

Marnie & Dylan & Sophie Piper know something's not quite right with their family. Their Mom's a young widow & she makes strange rules that the kids can't understand. Mom never lets them go trick-or-treating or go to Halloween parties. And she gets totally upset at any mention of magic.

Then, one special Halloween, Grandma Aggie Cromwell shows up. The kids learn that Mom has some major family secrets—and suddenly the kids are off on an adventure to her old hometown—HALLOWEENTOWN.

THE JUNGLE BOOK

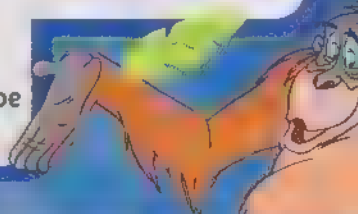

Hang out in the jungle
with Mowgli & pals
on Oct. 3rd!

THE SCOOP

In **THE JUNGLE BOOK**, baby Mowgli is abandoned in the jungle. He's rescued by a black panther named Bagheera, who leaves Mowgli to be raised by wolves. Growing up in the jungle, Mowgli gets into plenty of mischief with his friends

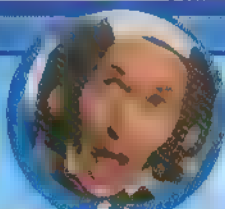

Baloo the bear & King Louie the ape. But Mowgli must be careful—'cause evil Shere Khan the tiger is **ALWAYS** hungry.

THE LAUNCH PAD

When NASA needs one more person for the first flight to Mars, it turns to Fred Z. Randall. Fred's the rocket scientist who designed the ship's on-board computer.

There's just a small problem: the closest Fred Z. Randall has ever been to space was back when he was kid.

Fred pretended he was orbiting the Earth—by tumbling around in his Mom's clothes dryer during the fluff cycle. Houston, you have a problem...

DID YOU KNOW?

Released in October, 1967, **THE JUNGLE BOOK** was the last animated movie personally produced by the father of all things Disney, Walt himself!

The story is based on the "Mowgli Stories" in Rudyard Kipling's **THE JUNGLE BOOK**. Though the book takes place in a steamy jungle, Kipling actually wrote it during a blizzard in Vermont!

One minute of "The Jungle Book" requires 1,440 different pictures. The entire movie measures 6,824 feet long.

REAL ROCKET SCIENCE

"RocketMan" was shot on location at the Johnson Space Center's Rocket Park. Scenes were shot at the Park's famous Building 9, home of the spacecraft mockups for space shuttle missions, and at Building 32,

site of the world's largest vacuum chamber, which simulates the actual conditions of space. (Except for weightlessness!)
